Truth is a person (JESUS) and not a philosophy.

Science is a revelation of the mind of God. (Thomas  
Aquinas)

Error is truth out of balance.

The fear of the Lord (His majesty and holiness) is the  
beginning of knowledge. (Prov.1:7)

To fear the Lord is the root of wisdom and her branches  
are long life. (Ecc.1:20)

If we fear God, we wouldn't fear man – this can paralyse  
many Christians.

Inferiority and shyness when we speak to people about  
Jesus are a subtle form of pride.

If we get on fire for God, people will come to watch us  
burn. (J. Wesley)

For 'go-it-alone' Christians – stick together; if we don't,  
we will become unstuck!

Education without God makes clever devils. (D. Lloyd George)

The spiritual man makes judgements about all things because we should have the mind of Christ.  
(1 Cor.2:15-16)

Our hereafter is determined by what we are after here!

God came out of eternity into time so that we, the creatures of time, could share in His eternity.

Time is the moving image of eternity. (T. S. Elliot)

God has set eternity into everybody's heart – we are without excuse!

Time present and time past are both perhaps present in time future. And time future is contained in the past. (T. S. Elliot)

To be born once is to die twice – but to be born twice is to die but once.

The only way people get to heaven is by accepting a gift, NOT by earning a reward.

Every religion in the world, except Christianity, is man's search for God. Christianity through Jesus, is God's search for man – a gift from God.

Nothing can mask the face of God so effectively as religion.

'Religion' is the human interpretation of God, heavily influenced by certain personalities, but NOT God Himself.

The law was given NOT to save people, but to measure them. It is a mirror which shows us we are dirty before God and is a schoolmaster to teach sinners the Way. (R. Comfort)

The law was given NOT to show God how unrighteous we are, but to show US how unrighteous we are before our righteous God.

We have made happiness, rather than righteousness in the eyes of God, the primary issue.

The purpose of the law is to show sinners they deserve hell. (R. Comfort)

People will only flee from the wrath to come if they believe there is a wrath to come.

If people (sinners) are only needing peace or love when they come to church, they have the wrong motive.

People should primarily be coming to Jesus so as to flee from the wrath to come.

'Hell' is not called 'Hell' for nothing!

To preach repentance to those who are oblivious to sin, is  
like trying to save a person from drowning when they  
don't believe they are drowning!
